Docket Number 7774

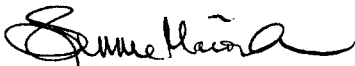

Dear Sir/Madam:

Joining the CDC Petition / Federal docket number 99P-0033/CP1

I would like to be added as a petitioner to the petition of the Humane Farming Association v Jane Henney, FDA Docket Number 7774. I reside at 3606 Cedar Drive, Dickinson, Texas 77539. My mother, Mrs. Emma M. DeRouen Mason, a retired custodian from our local school district, was diagnosed with Creutzfeldt-Jacob Disease (CJD) at the University of Texas Medical Branch (Geriatric Clinic) at 301 University Boulevard, Galveston, TX 77555.

My mother was diagnosed in October 1998. Currently, she is on a feeding tube, she does not talk, and she sleeps most of the time. Initially she was being diagnosed as being over-medicated and was making progress. A few days after that, the diagnosis was changed when she started to decline again.

Thank you,

Winnie Mason Allen
